Hi Donna,

Please disregard below. ASM clarified that they were talking about Rough Acres and not Rugged solar!

Thanks, Micah

Hi Donna,

Jerry Schaefer from ASM contacted me about edits to the Rugged cultural report so he could address County comments. I was wondering if you or someone from the County also sent County comments to ASM?

In any case, Dudek edited the Rugged report addressing all of the County's comments and submitted the revised version in August or sometime; you have that one now.

I put a stop work order in for Jerry at ASM so that they don't incur extra costs. Anyway, let me know if there's something I should know about ASM doing more work.

Thanks Donna,  
Micah
